DD Series, Series 60 and MBE 4000 Warranty Coverage

When installed at an authorized Detroit™ service outlet, the standard parts and labor warranty is included on Detroit genuine parts:

- 1-year/unlimited miles on rema nufactured Detroit parts.
- 1-year/unlimited miles on new parts.
- The warranties offered through the StepUp® Overhaul programs are specific to DD Series, Series 60, MBE 4000 non-EGR, EPA '04 and EPA '07 engines installed in on-highway applications at an authorized Detroit service outlet.
- Engine must be installed in the original chassis to be eligible for warranty coverage.
- Engine-specific coverage qualifications:
- DD Series: Engines must be less than 10 years old and under 1,200,000 miles.
- Series 60 and MBE 4000: Engines must be less than 10 years old and under 1,000,000 miles.
- See your Service Advisor for details
