

2022 EPA Clean School Bus Rebate Quick-Start Guide

1. Confirm SAM.gov Points of Contact: [SAM.gov | Entity Registrations](#)
2. Review the Glossary of Terms: Refer to (Appendix A) in the Application User Guide
3. Compile All Required Data: Refer to (Appendix B) in the Application User Guide
4. Check Browser Version: Before filling out the rebate application, make sure the web browser version meets or exceeds the following versions:

Chrome 38	Internet Explorer 11
Safari 7.1	Firefox 13

5. *(Important)*: Use of the browser back, forward, or refresh buttons while in the rebate application will result in loss of work. Please navigate using the “Next”, “Previous”, and “Save” buttons on the screen.
6. If, after submission, you identify errors or other information in your application that requires changes, contact the Clean School Bus Program Help Desk at cleanschoolbus@epa.gov for assistance. Make sure to provide your application ID included in your confirmation email and an explanation of the issue.
7. If you need further assistance with anything associated with the application process or funding opportunities, please contact dealer for more information.
