

FOR IMMEDIATE RELEASE

I-State Truck Centers Opens New Rogers Facility

ROGERS, Minnesota | November 20, 2023 – I-State Truck Centers has opened a new, custom-designed 50,000 sq. ft. facility in Rogers, Minnesota.

New Location - Featuring the Best People, Parts and Service

The new location will deliver the finest trucks and trailers, exceptional technicians, and knowledgeable parts specialists to keep our customers up and running.

“The Rogers location, which has been under discussion for several years, offers an area for strategic growth both for current and potential customers,” said Mark Olson, Vice President of Operations, Central / East Region. “The twin cities comprise a large metropolitan area that the new Rogers location will help us better serve. We’re excited to be a great community partner and offer great employment opportunities.”

Features of the new facility include:

- 24 Service Bays
- Large parts warehouse and retail space
- Covered service check-in area
- Spacious customer parking
- Spacious customer lounge areas
- State-of-the-art men’s and women’s lockers
- Freightliner and Thomas Built Bus sales

The new facility is conveniently located just off I-94 near exit 207 at **20040 County Road 81, Rogers MN 55374.**

About I-State Truck Centers

I-State Truck Center has a rich history of growth built on a commitment to customer service and providing the best products. We are a franchised dealer and service representative for world-class products, such as Freightliner, Western Star, Thomas Built Buses, Hyundai Translead, Isuzu and FCCC. We sell new and used medium- and heavy-duty trucks. We offer V&H Work Ready Trucks, East trailers, and high-quality parts and accessories.
