PREMIUM TRANSMISSION SERVICE

With Synthetic Fluid

- B300/B400 Series **\$639**
- ATD 1K/2K Special Synthetic **\$429**
- ATD 3K/4K Special Synthetic **\$639**

Includes: Genuine Allison Filter(s), transmission fluid, pan gasket, inspection for oil leaks, a test drive, and a check for proper shifting.

Note: Extended Service Coverage requires the use of qualified TES-295 fluid. Allison recommends initial filter change intervals at 5,000 miles (8,000km)/200 hours. Some applications may require additional labor.

INSPECTIONS

- DOT Inspection **\$179**

*Prices are subject to change at any time.
